Dr. Mark Labberton

Mark Labberton is the Clifford L. Penner Presidential Chair Emeritus and Professor Emeritus of Preaching at Fuller Seminary. He was ordained in the Presbyterian Church (USA) and began what was to become three decades of pastoral ministry. Labberton has a strong history in missions, as he co-founded the Christian International Scholarship (now ScholarLeaders), he serves on the board of International Justice Mission and is Senior Fellow of The Trinity Forum. Labberton calls for the unbreakable link between worship, justice, and the Christian life. He has written numerous books, including *Called: The Crisis and Promise of Following Jesus Today*, *The Dangerous Act of Worship*, and *Still Evangelical?*

“God’s Character, God’s Mission, and The Work of God’s People: Everywhere All at Once”

How does the work of the Church—God’s People—flow out of the nature and the mission of God’s own being? As the “body of Christ” how can we be the “hands and the feet” of God to carry out his mission and work in our lives? When we gather for worship—how do we celebrate God’s justice and love so that we can do God’s justice in the world with love?

Join Mark Labberton—a gifted preacher, scholar and former seminary president—to explore how all that we do grows out of who God is and what God is up to in the world. Join fellow Presbyterians to share in the discussion and the fellowship to strengthen our knowledge and our ability to serve.

Enjoy the a la carte breakfast at 8:30. The program begins at 9:00 and ends at 11:30.
